

HP VH22 22-inch Class Monitor

An eye-catching display that meets your TAA contract requirements and your budget.

Invest wisely and boost productivity with the TAA-compliant, business-class HP VH22 21.5-inch Display, which has Full HD resolution, four-way adjustable comfort, and is a product of Mexico that complies with U.S. Government procurement policies.

Adjustable, personalized comfort features

- Breeze through your day and achieve optimal productivity when you set the height, tilt, and swivel for the way you work best. If you want to work vertically, you can even pivot the display head 90 degrees.

Ample screen size enhanced by Full HD resolution

- Enjoy striking views of your everyday content on the 21.5-inch diagonal panel with sharp 1920 x 1080 Full HD resolution.¹

Flexible, simple connectivity

- Get the essential ports you need and want with a VGA connector for legacy compatibility and DVI and DisplayPort for your newer technology.

Featuring

- Attach your HP Desktop Mini, HP Chromebox or select HP Thin Client directly behind the display for an integrated, affordable workspace.²
- Design the screen for how you work with HP Display Assistant software, which enables screen partitioning and helps deter theft by deactivating a monitor that's disconnected without approval.
- Create a complete solution with HP accessories⁴ designed and tested to work with your display.
- Rest assured that your IT investment is supported by a four-year standard limited warranty. To extend your protection, select an optional HP Care service.⁵
