

MFC-8380DN Compact High Speed Mono Multifunction Printer with Network and Full Automatic Duplex

With its compact size, fast professional performance and wide range of cost-saving features, the reliable MFC-8380DN is the ideal choice for busy offices.

Printing on special media such as envelopes is easy with its 50-sheet multipurpose tray using the Straight Paper Path. The 20-sheet ADF enables fast unattended copying and faxing of multipage documents. The main paper tray holds 250 sheets so you have to refill it less frequently. Create professional booklets (printing four pages per double-sided sheet and folding the document in the middle) in-house or add a watermark to your printouts via the printer driver.

Numerous user-friendly scanning options such as Scan to USB Flash Memory Drive, Email, Network or FTP make for efficient document management. Easily reduce paper use with automatic duplex printing or the N-in-1 function which allows multiple pages to be printed onto just one sheet.

Your printing costs can be reduced further with the optional high-yield toner, a cost-effective separate toner and long-life drum solution, and ENERGY STAR-certified energy efficiency. The MFC-8380DN also complies with the renowned German Blue Angel environmental award for its remarkably low noise and emission levels.

MFC-8380DN Technical Specifications

Mono Duplex Printer	
Technology	Electrophotographic Laser
Print Speed A4	Standard - Up to 30ppm Duplex - Up to 13 sides per minute
Resolution	1,200dpi, HQ1200 (2,400 x 600), 600dpi, 300dpi
First Print Out Time	Less than 8.5 seconds
Emulation	PCL®6, BR-Script3 (Postscript®3 Language Emulation) IBM Proprinter XL, Epson FX-850
Resident Fonts	PCL®6 - 66 Scalable Fonts, 12 Bitmap Fonts, 13 Barcodes Postscript®3 - Compatible fonts: 66
Interface	Hi-Speed USB 2.0
Network	10/100 Base-TX
Display	2 line, 16 characters white back-lit LCD
Mono Duplex Copier	
Copy Speed A4	Up to 30cpm Duplex - Up to 13 sides per minute
Resolution	Up to 1,200 x 600dpi
First Copy Out Time	Less than 10.5 seconds (from ready mode)
Stack & Sort	Stack and sort multiple copied documents
Reduction / Enlargement Ratio	Reduce and enlarge documents from 25% to 400% using 1% increments
Mono Duplex Fax	
Modem Speed	33,600bps (G3)
Fax/Tel Switch	Automatic recognition of fax and telephone reception
One-Touch Dial	16 (8 x 2) locations
Speed & Group Dial	Up to 300 speed locations and up to 20 groups
Automatic Redial	Automatically redials number if line is busy
Distinctive Ring Detection	Ability to detect different ring styles (UK and Denmark only)
Fax Forward and Retrieval	Forward or retrieve faxes to or from another location
Transmit / Receive Memory	Up to 500 pages (ITU-T Test Chart, Standard Resolution, MMR)
Error Correction Mode (ECM)	Resending of failed documents where sending fax shares ECM
PC-Fax***	Send & receive faxes from your PC (phone line required)
Colour Duplex Scanner	
Resolution	600 x 2,400dpi (from scanner glass) 600 x 600dpi (from ADF)
Resolution (Enhanced)	19,200 x 19,200dpi
Grey Scale	256 shades of grey are available for copying, faxing and scanning
Colour Depth	48 bit internal, 24 bit external
Scan Functions	Scan to E-mail / OCR / Image / File** Scan to Network / FTP / USB Flash Memory Drive
Paper Handling	
Paper Input	250 sheet standard paper tray 50 sheet multipurpose tray Optional 250 sheet paper tray
Paper Output	20 sheet automatic document feeder (ADF) 150 sheets (face down)
Media Specifications	
Media Types	Standard Paper Tray - Thin Paper, Plain Paper, Bond Paper, Recycled Paper, Transparencies (up to 10 sheets) Multi-Purpose Tray - Thin Paper, Plain Paper, Thick Paper, Bond Paper Optional Tray - Thin Paper, Plain Paper, Bond Paper, Recycled Paper, Envelopes, Labels, Transparencies (up to 10 sheets)

Compact High Speed Mono Multifunction Printer with Network and Full Automatic Duplex

Compact, fast and incredibly user-friendly: the MFC-8380DN makes office life much easier. Reduce costs through high-quality automatic duplex printing, faxing, copying and scanning, an optional high-yield toner and first-rate energy efficiency.

- Versatile all-in-one mono printer with colour scanning.
- Save paper with automatic double-sided (duplex) printing, faxing, copying and scanning.
- Fast print speed of up to 30 pages per minute.
- Flexible connectivity and a wide range of network features such as Scan to USB, Network, FTP or Email.
- User-friendly features include direct printing from USB Flash Memory Drive and clear 2-line LCD display.
- Optional high-yield toner for even lower cost per page.
- Flexible paper handling with 250-sheet input tray, 20-sheet Automatic Document Feeder (ADF) and 50-sheet multipurpose tray.

Get first-rate quality office documents and low running costs with the compact, fast and user-friendly Brother MFC-8380DN.

Time-saving

With high speed printing and copying of up to 30 pages per minute and a first page out time of less than 8.5 seconds, the MFC-8380DN gets the job done quickly. Its 20-sheet ADF makes handling multipage documents a swift task. Save time by printing from or scanning to a USB Flash Memory Drive without using your computer.

Cost-saving performance

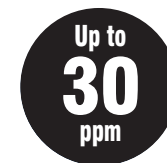

The MFC-8380DN is designed to keep running costs to a minimum. Automatic duplex printing and copying or the N-in-1 function (printing multiple pages onto one sheet) can significantly reduce paper use in the office. The MFC-8380DN comes with an optional high-yield toner to further reduce cost per page. Furthermore, the toner and drum are separate which means you can replace them individually to save even more money. The MFC-8380DN's energy efficiency has been ENERGY STAR-certified, and it has received the prestigious German Blue Angel award for its low noise level, recycling-friendly design and use of non-hazardous materials.

User-friendly

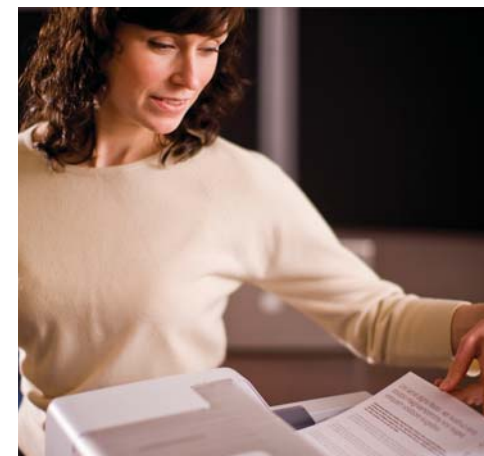

Printing on special media such as envelopes, labels or transparencies is easily done with the multipurpose tray. Create a professional booklet (printing four pages per double-sided sheet) conveniently in your office by simply choosing the option in the MFC-8380DN's driver. With the easy to use Secure Print function, you can print confidential documents at any time.

Easy to manage

Simply connect the MFC-8380DN to your existing network to share its resources across the office. Scan to Email and Scan to Network are some of the various options designed to increase productivity. Secure Function Lock enables user access to be controlled centrally – you decide who has access to the machine's main functions. The BRAdmin software (downloadable free of charge from Brother's Solutions Centre website) allows you to easily centralise managing all Brother printing devices in the entire organisation.

Scan your A4 colour documents.

Create an instant impact
- with quick 30ppm A4 printing.

Swift and easy - printing on thick paper or envelopes.
